Thank you for testing the GreenStep app! Please click around the prototype, try to log an action, and read an article. Then, fill out this quick survey to help us improve the UI/UX.

Hello what's your name? *

Rafeed Ashhab

On a scale of 1 to 5, how easy was it to figure out how to log a new eco-action?

	1	2	3	4	5	
Very Confusing	○	○	○	○	◉	Super Easy

How would you rate the visual design and animations of the app?

	1	2	3	4	5	
Needs Work	○	○	○	○	◉	Looks Premium

Which section of the app did you find the most interesting?

- ○ The Dashboard (Stats & Streak)
- ◉ The Action Logger (Earning Points)
- ○ The Learn & Grow Articles
- ○ The Onboarding Tutorial

Did the Taylor's ID detection (the pop-up asking for a nickname) work smoothly for you?

- ○ Yes
- ○ No
- ◉ I didn't trigger it

List exactly 3 things you liked about the app's design or features. *

1.I liked the overall look of the app
2.its clean
3.its smooth

List exactly 2 things that confused you or that you think should be improved. *

nothing really confused me

List exactly 3 things you liked about the app's design or features. *

The app is easy to use and navigate, even for first-time users.The design is simple and clean, so it doesn't feel chaotic or confusing.The features are clearly organized, which makes it easy to understand the purpose of the app.

List exactly 2 things that confused you or that you think should be improved. *

Some buttons or sections could have clearer labels so users know what they do.Adding more instructions or a short guide for new users could make the app easier to understand.

- (●) Yes
- ( ) No
- ( ) I didn't trigger it

List exactly 3 things you liked about the app's design or features. *

1) The UX is designed well.
2) The fact that this idea promote good habits.
3) The Dashboard, because it provides accountability.

List exactly 2 things that confused you or that you think should be improved. *

1) I wasn't exactly sure what the "learn" tab was. Perhaps more time with the app would give me a better understanding.

2) I think a signup option with proper database could have been installed.
